Control The Flow!

With a Calmar Auger Spout, you can efficiently and safely direct the flow of grains and oilseeds to all areas of your truck box or grain cart without splash, spillage or wind loss!

- Easy Installation
- Serves as an Extension to your auger for easier unloading
- Grain flow is concentrated but not restricted
- Built in pressure release
- Fits 12" - 17" augers

Patented

Swath Rollers - Ribbed drum design packs & tucks swath preventing bunching: Direct Mount & Pull Type Swath Rollers. **Built Tough! Metal Reinforced Sides.**
