

Remote Boom Control

Check & Service Your Nozzles:

- No more running in and out of the cab. A hand held remote turns on individual sections one at a time from behind the sprayer
- Two models are available to fit any sprayer up to 13 sections
- Plug and play wiring harness makes for easy install.

Blue LED Sprayer Boom Lighting *by Comatra*

Fast, Easy and Reliable

- Spray in reduced light or night spraying and see what you are doing
- Specially designed "blue" for crop spraying ensure perfect illumination of nozzles & spray pattern.
- Higher contrast light than white light or blue lens light.
- High quality "blue" directed spot gives a premium view.
