Store Grain for under 20¢ per Bushel

 **Need it Fast?**

 **Overnight Delivery across Western Canada**

 **Midwestern USA - On your yard in 3 days!**

Temporary Grain Storage from Willwood Industries is an effective way to store large capacities without having to buy new bins. All packages come with a poly edge protector, assembly hardware and the best quality silver tarp with a custom tarp harness to minimize wind damage.

In-stock plywood capacities available from 1,750 to 11,700 bu. Steel packages from 3,650 to 100,000 bu. Larger capacities available by special order. Gate posts and auger ports are options available. Call today!
