## **BALE MOVERS** **TAC 14 and TAC 20 Bale Movers**

A heavy duty bale hauler to haul your round bales. Both units are 34 feet in length. The TAC 14 carries the bales in a single layer two rows wide while the TAC 20 can haul an additional row on top. Hydraulic push off.

## **BALE WRAPPERS** **Stretch-o-matic 8400 Elite and 9600 Elite Bale Wrappers**

The stretch-o-matic tube line bale wrapper comes in two sizes. The 8400 Elite will wrap up to a 68" bale and the 9600 Elite will wrap up to a 72" bale. The wrappers are equipped with auto-pilot, remote steering, end of the roll shut down, and they are self propelled. These wrappers are capable of wrapping up to 140 bales per hour.
